

Broadbeach Surf Life Saving Club

2010/2011 Season Participant Levy

BACKGROUND

Funds are vital for every Surf Club and none more so than for Broadbeach Surf Life Saving Club. We are a small club that does not have a bistro and/or poker machines to generate funds.

For the 2010/2011 patrolling season, the Broadbeach Management Committee has endorsed a participant levy for all Broadbeach Surf Life Saving Club members.

The participation levy has been designed to encourage members to take part in the annual House to House or other designated collection events/activities. Members who are unable or who do not wish to take part in designated collections can opt to pay the \$100.00 participant levy.

MEMBERSHIP CATEGORIES

The participant levy applies to all members of Broadbeach Surf Life Saving Club and is to be paid on top of the endorsed membership fee. The participation levy applies to the following membership categories: active senior, active cadet, active junior, associate, life member, long service member and junior activities members.

JUNIOR ACTIVITIES

Junior Activities families who elect not to take part in the organised events/activities will pay \$100.00 per family.

THE OPTIONS

At the start of each season all Broadbeach Surf Life Saving Club members will be given two participation options:

Option A: Member registers to collect at House to House or organised events/activities prior to the 31st December of that year and will not be required to pay an additional \$100.00 on top of their membership fee.

Option B: Member pays an additional \$100.00 on top of their membership fee as they have chosen not to participate in collections.

PLEASE NOTE: If a member fails to take part in collection prior to the 31st of December, an invoice will be sent to that member in January to be paid.

Included in your membership renewal will be a participant levy slip. This slip is to be returned with your membership forms. These forms will then be passed onto the Collection Officer/s.
